FOREWORD

This Roster is prepared and published under the authority of Section 123f, Supplement of the General Statutes, Revision of 1930, Act of the General Assembly, 1941.

It is arranged by listing in alphabetical order, by towns, the names of the men and women of Connecticut, who served in the armed forces of the United States during World War I and whose services are accredited to this State by the War and Navy Departments and the Marine Corps.

The work of preparing the records for publication has been an arduous task and considerable time was consumed, owing to the many discrepancies which appeared in the records received from Washington. The uniform policy of accrediting all veterans to that state claimed as residence by the veteran at the time of entry into service, of necessity, has governed the compilation. It is possible the names of some Connecticut men and women who served during the War will not be recorded herein because of the naming of another state as their place of residence, and similarly the names of others who entered the service who can be claimed as transient residents only, may appear as accredited to Connecticut by the sources referred to above.

It is inevitable that errors and omissions will be found despite the care exercised and it is anticipated that corrections and additions will be received from various sources. As such changes come to hand, they will be kept for compilation in a supplementary list to be published when found practicable.

In future years these pages will be consulted freely and the services rendered, herein recorded, will be used as evidence to show that the men and women of Connecticut performed their duty in World War I, and the State is justly proud of their accomplishments.

R. B. DeLACOUR
Brigadier General
The Adjutant General
